

# NORTH AVENUE RISING

## 20th Street Bike Boulevard Public Meeting

At this meeting MDOT MTA and the City of Baltimore will solicit feedback on proposed changes to 20th Street (Howard to Aisquith) and Aisquith Street (20th to Bonaparte) to improve walking and bicycling safety.

The proposed changes would create a two-way bicycling route along 20th and Aisquith Streets while also minimizing speeding and cut-through traffic.
