

# NORTH AVENUE RISING

## Baker Street Traffic Calming and Pedestrian Safety Public Meeting

At this meeting MDOT MTA and the City of Baltimore will solicit feedback on the proposed addition of stop signs, improved crosswalks, speed humps, and other safety enhancements for walking and bicycling.

The proposed changes would reduce speeding along and make it safer to cross Baker Street.

**Thursday, October 18, 2018**

*6:00 pm - 7:00 pm*

Carver Vocational-Technical High School  
2201 Presstman Street

## What is North Avenue Rising?

It's a collaboration between federal, state, and city partners to support economic revitalization by proposing sidewalk improvements, dedicated bus lanes, transit signal priority, enhanced bus stops, roadway repaving, and Penn-North Metro SubwayLink station renovations.
